Bill:

I remember the December 11, 2014 and I remember the Feb 23, 2015 but I don't remember the March 13, 2015 one. Do we have an invitation for the March 13, 2015 one? What information do you have on these?

Thanks

Gary Moore

Gary,

I got that screwed up and I don't know where I got that! The Fact sheet was our invitation to the meeting and you are correct 12-11-2014 would be the first one. We also attended a Meeting in February 23, 2015, that was held by Dr. Teddy McDonald /Old Spanish Trail Community Partnership, and you answered questions and I believe and a slide presentation.

The next Meeting we held was March 13, 2015, That's the meeting Shelia Jackson Lee called on the Phone.

We had 3 Fact Sheets August 2014, I believe you distributed it when you went around the neighborhood and it was available on Site. December 2014 and February 2015. (they were both mailed)

I am very sorry, that is not like me, and it won't happen again. I guess I transposed the years, and the May 13, 2015 (I said 2014) was actually an internal meeting we had here discussing the VCP.

Sorry,

Bill

Bill:

I am not sure these dates are correct. Could you re-check your records again?

I know we had our first (I think 12/11/14). I know we did not have one on May 13, 2014 as we did not start this action until September 2014.

Thanks

Gary Moore

Bill:

Can you tell me the dates of the 2 public meetings that we held at CES?
